Youth Justice and Power Union (Y.J.P.U.) is a community grassroots organization that centers the voices of Black and Brown youth in Boston. They focus on leadership development and community building through mentorship, political education, campaign organizing, and base-building. Y.J.P.U.'s mission is to build collective power to address systemic issues, at the root, happening in communities and confront them through organizing and direct action. Haymarket funds will go to general operating support.
